# AUGUST WEEKEND MARATHONS

## The Amazing World of Gumball 'Educating Elmore weekend'

Saturday 2<sup>nd</sup> and Sunday 3<sup>rd</sup> August from 11am to 4pm

The Amazing World of Gumball is the story of an ordinary suburban family who just happen to live in an extraordinary town. Each episode we follow him and his best pal, Darwin, as everyday events escalate out of control, whether at home with the family or attending junior high.

## Regular Show Weekend

Saturday 2<sup>nd</sup> and Sunday 3<sup>rd</sup> August from 11am to 4pm

Two groundskeepers, Mordecai (a six-foot-tall blue jay) and Rigby (a hyperactive raccoon) are best friends who spend their days trying to entertain themselves by any means necessary, much to the displeasure of Benson (their boss, who is a gumball machine) and to the delight of Pops (an older, lollipop-headed gentleman). Their everyday pursuits often lead to things spiralling out of control and into the surreal: they open portals to other dimensions, summon demons via an '80s arcade game and accidentally use choreographed dance moves to send co-workers to the moon.
