DOROTHY & THE WIZARD OF OZ

BRAND NEW EPISODES!

FRIDAYS, 5:20PM FROM NOVEMBER 10

Dorothy & the Wizard of Oz is an all-new animated comedic fantasy series that transports audiences back to the wonderful and magical land of Oz. The episodes will be shown as part of the Boomerang Dream Squad.

After the Wicked Witch of the West's defeat, Queen Ozma has appointed Dorothy the Princess of Emerald City. With her feet firmly grounded in her ruby slippers, Dorothy tackles her royal duties with enthusiasm, bravery and farm girl feistiness. And whether it's magic, munchkins, flying monkeys or her arch nemesis, Wilhelmina — the "wicked witch in training" and niece of the Wicked Witch of the West — Dorothy is ready to track down and put a stop to any problem that comes Oz's way.

Joining Dorothy in her adventures are some familiar friends: Lion, whose newly found courage is often still fleeting; Tin Man, who is discovering new emotions that come with a new heart; Scarecrow, who is bursting with brains; and, of course, her little dog, Toto. With her friends by her side and her ruby slippers on her feet, Dorothy follows the Yellow Brick Road toward magical mischief and embarks on exciting adventures that only a land like Oz can bring.

GRIZZY & THE LEMMINGS

BRAND NEW EPISODES!

MONDAY- THURSDAY, 5:20PM FROM NOVEMBER 13

In a vast natural reserve lost in the middle of the untamed wilderness, there is a small haven of human civilization: the forest ranger's house. In the eyes of the animals for 60 miles around, it's El Dorado.

Because he is (from his point of view) the most evolved animal on earth, the Bear Grizzly feels it's only natural that the ranger's house becomes his territory as soon as its owner is away. In here, he can enjoy all the modern conveniences that seem to have been custom designed especially for him.

No other animal dares to contest this *Bear Privilege* except the most inoffensive, stupid and ridiculous mammal family that exists: The Lemmings- who also move into the house as soon as the ranger is gone. The possibilities for having fun there are so plentiful! Thus, Grizzly and the Lemmings lead a merciless battle over the forest ranger's house in an atmosphere of total madness, where the two adversaries constantly try to out-do each other with nasty tricks!

BUNNICULA

BRAND NEW EPISODES!

WEEKENDS, 4PM FROM NOVEMBER 4

BUNNICULA is an all-new animated comedy series based on the bestselling children's book of the same name. The series follows the paranormal comedy adventures of Bunnacula the vampire rabbit who, instead of drinking blood, drains the juice of carrots and other vegetables to boost his supernatural abilities.

Upon moving to the mysterious Orlock Apartments building in New Orleans, 13-year-old Mina discovers Bunnacula locked away in a chamber way down in the basement. Mina falls instantly in love with Bunnacula, and adopts him as a pet, not knowing he has supernatural abilities. The mischievous rabbit is met with open arms by her lovable, laid-back dog, Harold, and abject fear by her paranoid cat, Chester. But Bunnacula loves Mina and will do anything to protect her from all the crazy supernatural animals and monsters he attracts.

Bunnacula, Chester and Harold will encounter everything from ghostly alligators squeezing through the pipes of their apartment building to sinister spider-lambs released from Bunnacula's book of supernatural bedtime stories.
