**EMBARGO: AEST 12:00 PM APRIL 1**

**March 30, 2018**

## **CARTOON NETWORK GOES RETRO FOR THE ULTIMATE APRIL FOOLS STUNT**

Hi-res Downloadable Artwork available under the show information

**SURPRISE!** Don't adjust that dial! We interrupt your regular programming of Teen Titans Go!, Ben 10, Teen Titans Go!, The Powerpuff Girls, Adventure Time, even more Teen Titans Go! to bring you A BLAST FROM CARTOON NETWORKS PAST!

To celebrate April Fools, Cartoon Network will go back to the beginning, introducing a new generation of viewers to retro shows that were all the rage in 1996 – 2002! Get ready to be stunned by the antics featured in hit classics Dexter's Laboratory, Ed Edd n Eddy, The Grimm Adventures of Billy and Mandy and Codename: Kids Next Door!

Starting from 12pm-4pm on April 1, 2018, we are bringing back some of the best retro shows the channel has ever seen – but airing them now.

The line-up features shows that premiered between 1996 – 2002 and includes the below shows:

- **Dexter's Laboratory** – Dexter is a boy genius who has a secret laboratory. His intelligence makes him the brains of the family and he is one of the world's greatest inventors, having created countless weird and amazing machines and experiments. He is always working on new inventions and creations every day, but his sister Dee Dee is always breaking into his lab and destroying his work making for disastrous consequences.

- **Ed, Edd n Eddy** - Like any boys trying to survive their adolescence, Ed, Edd and Eddy are as clueless about girls as everything else. Eddy may not be the brains of the trio, but he's the "idea guy," always scheming and dragging his buddies along. Ed, Edd n Eddy go on summertime adventures involving part-time jobs, treehouses and of course, girls. Ed, Edd n Eddy is the longest running Cartoon Network Original series.

- **Codename: Kids Next Door** - A mysterious treehouse hidden from adults is the headquarters for five friends known as Kids Next Door. These 10-year-olds take on adults to get out of going to the dentist or summer camp by using "2x4 Technology." They build and design elaborate contraptions using anything they can get their hands on: bubble gum, old wood, and spare tires. Each kid has a specialty and works with the team to win silly battles with adults.

- **Grim Adventures of Billy and Mandy** - Billy and Mandy are a mismatched pair of youngsters who befriend the Grim Reaper after winning a limbo contest against him. Since the Grim Reaper lost, he has to be their friend, and the three go on adventures together. Between school, family and visitors from the spirit world, Billy and Mandy sometimes need help to clean up the messes they get themselves into, and that's where Hos Delgado comes in. Hos and the Grim Reaper are not friends, and with Mandy's bossy nature and Billy's curious attitude funny escapades ensue.
