BEN 10, NEW ALIEN SPECIAL

BRAND NEW EPISODES

SATURDAYS, 5:30PM FROM JULY 7

In this New Alien special, Ben 10 is still figuring out how to use his super strong, super powered omni-enhanced aliens, when he discovers he's got a new alien called "Shock Rock"! He faces a big dilemma whether to give up the Omnitrix to villain Vilgax or risk the new alien destroying the world.

Rock strong on the outside and crackling alien energy on the inside, Shock Rock has more than just strength up his sleeve. Mighty enough to punch through solid stone, his energy core can also be projected out in the form of weapons, shields, and almost anything else Ben's 10-year-old imagination can dream up!

With new villains returning every week, be sure to watch every weekend to catch all the new aliens from the series!

OK K.O.!! LET'S BE HEROES

BRAND NEW EPISODE

WEEKENDS, 6:00PM FROM JULY 7

WELCOME TO THE YEAR 201X! The world has become a crazy battlefield! In order to keep up, every last person on Earth has become a super-powered hero! This is a world where superheroic feats and large-scale battles are ordinary facts of life. But even in such an action-packed world, heroes have to do things like hold down a job and go to the store. This show is about one such hero... K.O.!

In these brand new episodes, Boxman finally captures K.O., Enid and Rad but seems a little distracted allowing the crew some time to think of an escape. K.O. also goes on an adventure to find the perfect Mother's Day gift for Carol but finds it hard to find the perfect present for his superhero mum.

Catch all the superhero fun this July.
